

State Housing Finance Agencies: Emergency Housing Assistance Programs

December 2020

State HFAs Have Deep Rental Assistance Experience

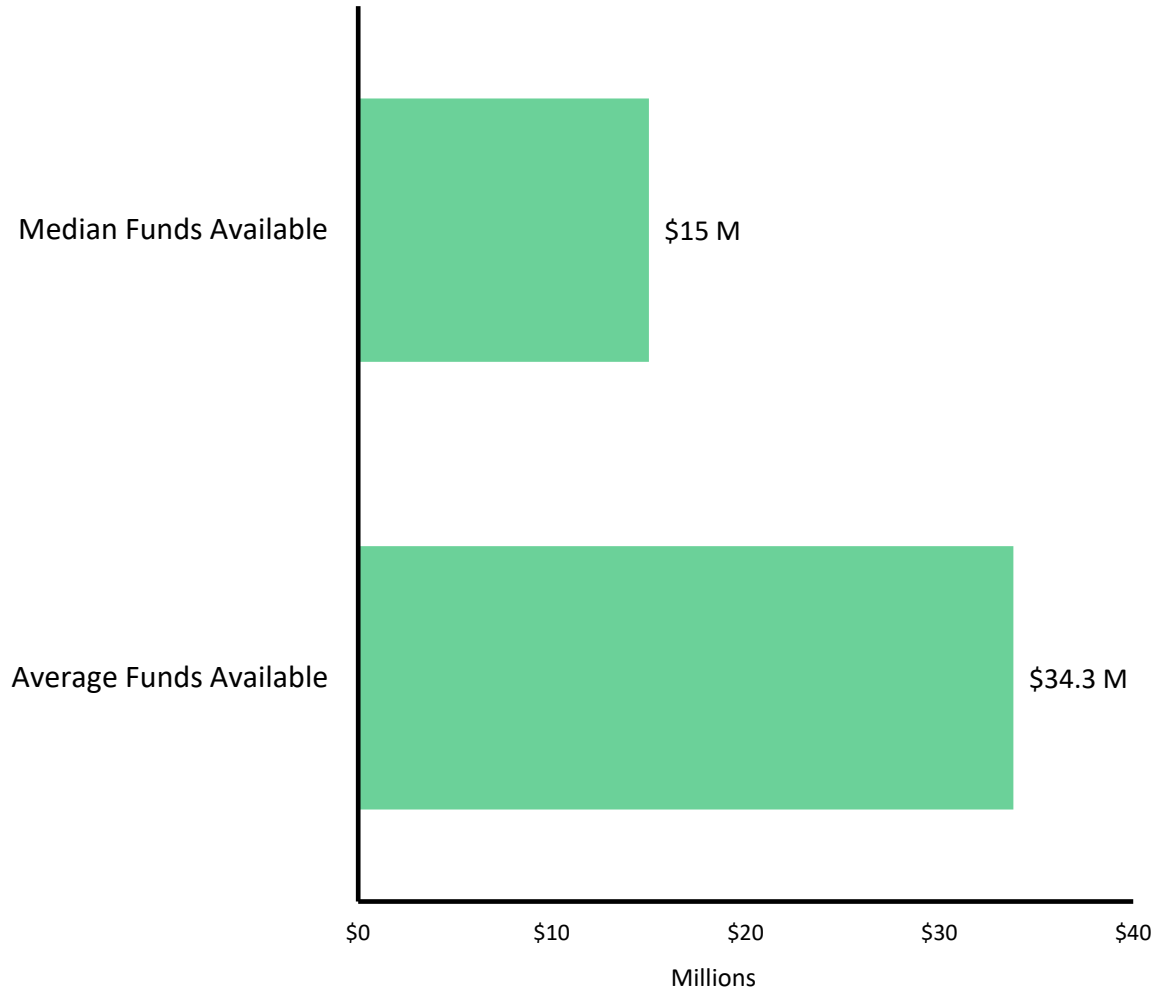

State HFA Emergency Assistance Program Characteristics

Total Funding Available:
\$1,546,212,000

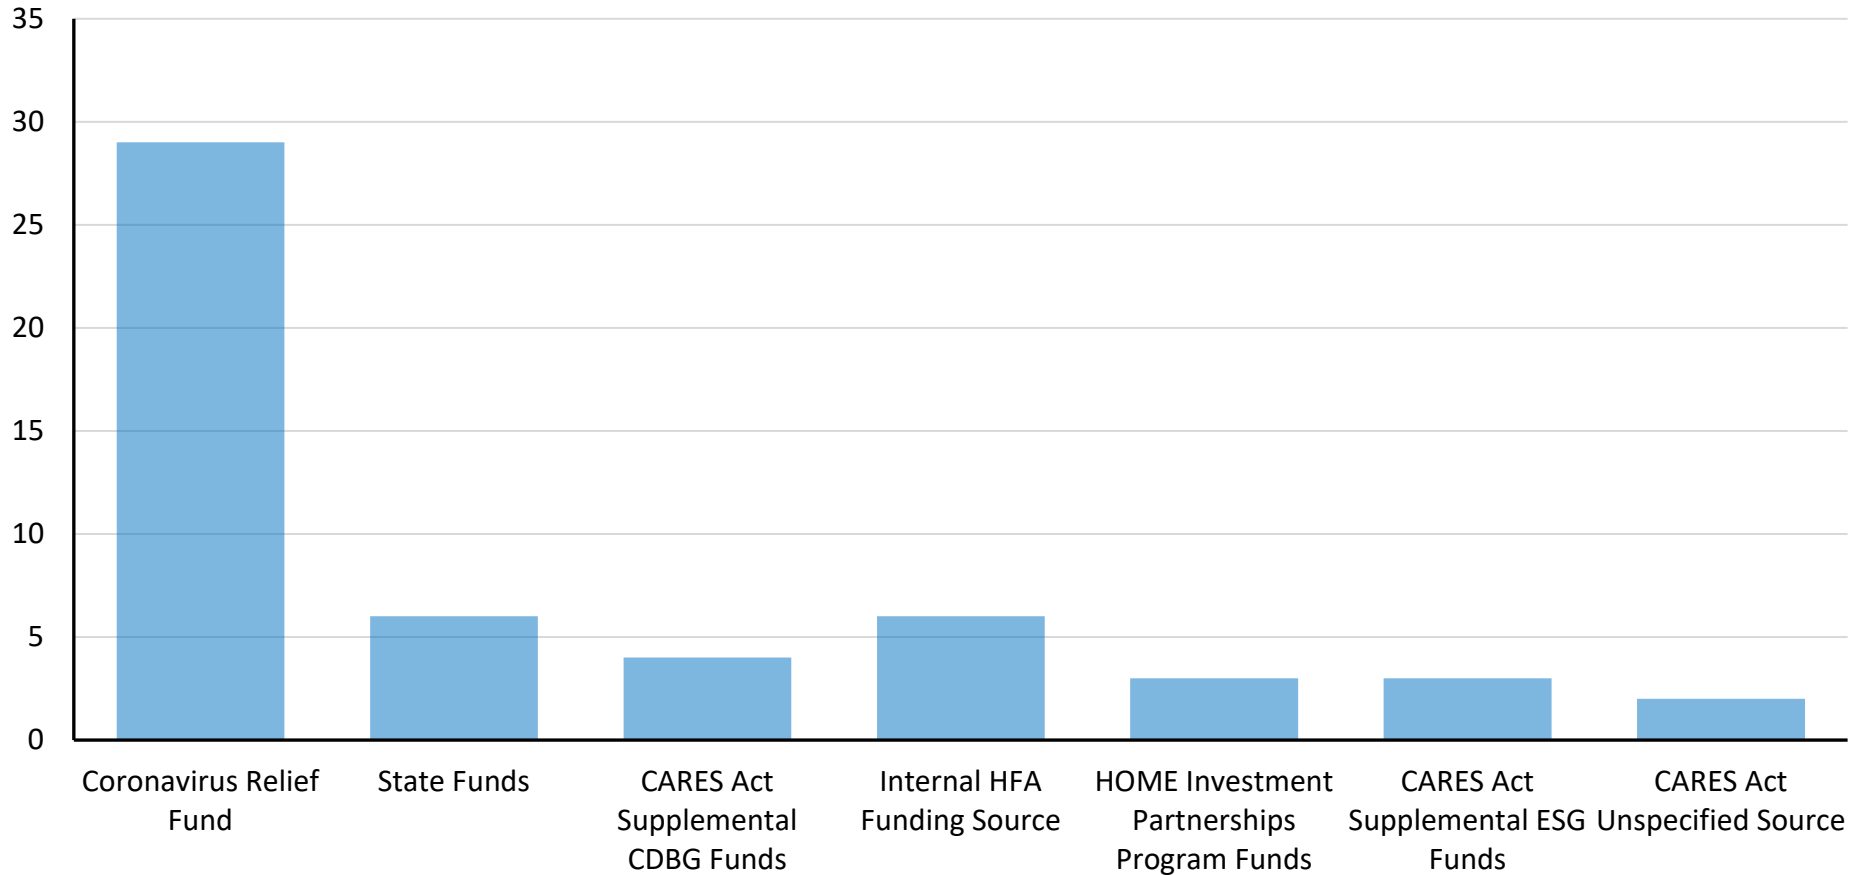

Average Program Size:
\$34,360,266

Median Program Size:
\$15,000,000

Funding Source of State HFA Programs

State HFA Emergency Housing Assistance Programs' Source of Funding

Uses of State HFA Program Funds

State HFA Emergency Housing Assistance Programs' Intended Targets for Relief

Early Takeaways

State HFAs have moved quickly to stand up new programs.

While renter needs dominate, homeowners also need assistance.

In many states demand has far and fast outstripped supply.

Imposed complexity + incomplete applications = bottlenecks.

Without more federal funding through state HFAs, evictions and delinquencies are likely to skyrocket.
