National Council of State Housing Agencies
2019 Executive Directors Workshop
July 14 – 17, 2019

About the Workshop

Please make plans now to join your peers at the annual Executive Directors Workshop — the NCSHA meeting you rate highest for its networking opportunities and program content. This unique workshop brings HFA executive directors together for leadership development and a robust exchange of ideas. It's the one time each year that you have significant dedicated time to talk privately about the challenges you face, the solutions you have found, and the breakthroughs you have made.

Please feel free to bring your family or significant other, as many executive directors do. They are welcome to join you for all meal functions by registering as guests.

We look forward to your participation in this year's Workshop!

About Portland

Set against the backdrop of majestic Mount Hood, Portland combines a sophisticated, cosmopolitan atmosphere with a refreshingly friendly, small-town warmth. The city's compact, walkable downtown offers easy access to great food, green spaces, cultural offerings, and tax-free shopping. Browse the city's diverse mix of retailers — large and small, international and indie — see a show, and grab a bite. From food carts to fine dining, you're usually just steps away from great food in downtown — nearly all emphasizing local, seasonal ingredients.

Portland makes the most of long, sunny days and pleasant evenings, too, pulling out all the stops with festivals celebrating craft beer, music, contemporary art, and the city's internationally acclaimed culinary scene.

Come early or stay late to enjoy all that Portland has to offer. An award-winning airport, efficient light rail system, and pedestrian-friendly blocks make getting around town a breeze. Learn more and start planning your free time at www.travelportland.com.

Attire & Climate

Business casual attire is appropriate for all conference activities.

In July, Portland temperatures typically range from the mid-80s during the day to the mid-70s at night. Hotel meeting room temperatures vary; a jacket or sweater is recommended.
