Dear Nevada Housing Customers and Partners:

Health and safety important to us here at the Nevada Housing Division. We have made the conscious decision to close our office to the public and to reduce the number of staff members in our building. Team members will be in the office and available by phone from 8:00 a.m. to 5:00 p.m. All staff members, whether teleworking or in the office, are available by phone or email. During this time of uncertainty, Nevada Housing is committed to helping you every step of the way.

FAQ's:

Are the Housing Division and Manufactured Housing still open?

Yes! Although we have closed our door to the public, we are still able to assist in every other way. Please email or call us nhdinfo@housing.nv.gov or 775-687-2240. Our program operations and essential services will continue without interruption. Essential staff will be available by phone and email during regular office hours as usual, 8 am to 5 pm. Feel free to reach out to our team for support, recognizing that response time may be delayed.

Can I still mail in documents?

Yes! We have staff onsite that are still able to process incoming documents.
